International Network

SEUM is a member of TAGLaw, a worldwide alliance of more than 155 independent law firms with offices in over 90 countries that provides a full range of legal services to clients all over the world.

SEUM Law is also a member of PrivacyRules®, the world's leading professional alliance on multi-disciplinary and multi-jurisdictional privacy expertise. SEUM offers its clients access to vetted leading law firms, tech companies and data services firms across the world on privacy and data protection issues from compliance to cybersecurity to handling data breaches.

SEUM is the first Korean law firm to join the Ethereum Enterprise Alliance (“EEA”), a collaborative organization that helps Ethereum developers partner with big business and government. EEA connects Fortune 500 enterprises, startups, academics, and technology vendors with Ethereum subject matter experts.

Corporate Social Responsibility (CSR)

Helping the communities around us is an integral part of our work. SEUM proudly supports charitable groups and legal service organizations that are making a positive impact to our society.

Social Enterprise

SEUM works with companies pursuing social impact as part of their business model. Our attorneys regularly give presentations on legal issues for social enterprises and actively search for ways to support them.

- ◆ **START Docs:** 500 Startups and SEUM published an entrepreneur-friendly investment contract form for the Korea market called the “START Docs” (standardized term agreement for raise transactions) to help founders avoid unnecessary time and costs associated with early stage fundraising.
- ◆ **SEUM PLUS:** SEUM runs a startup networking program called SEUM PLUS which connects social entrepreneurs working in the same space through seminars and conferences.
